Required textbook: Magill & Anderson (2020)

Lectures notes in PDF[1]

: Online via Zoom : On Campus

> **❗ Important**
>
> I suggest you to read and study the assigned content (chapters, videos, eFlashcards, etc.) first, then watch the video/audio lectures.

> **⚠️ Warning**
>
> I teach three different sections of KIN 377, one hybrid and two fully online. Even though it shows in Canvas you are in section #19392, you still belong to the section you originally enrolled. To find out, log into the CSUN Portal and verify your original enrollment.
> So, if the CSUN Portal says you are in
>
> - **KIN 377 MOTOR LEARNING - (19430-SP2023); or**
>
> - **KIN 377 MOTOR LEARNING - (19780-SP2023)**
>
> **Then, THERE ARE NO ON-CAMPUS OR ONLINE MEETINGS. You are enrolled in a FULLY online (asynchronous) course.**
> And if the CSUN Portal says you are in
>
> - **KIN 377 MOTOR LEARNING - (19392-SP2023)**
>
> **Then, there will be online and on-campus meetings.**

Mode[2]	Week of	Study Content[3]	Assignments
	01/23/23	Intro to Course & Survival Skills APA Style Article[4]	Read and study the Syllabus
	01/30/23	Ch01[5]: The classification of motor skills How to learn anything[6] eFlashcards[7] Video/Audio Lecture (link coming soon)[8]	Quiz
	02/06/23	Ch11[9]: Defining and assessing learning	Quiz; Discussion

[2]Only applies to Hybrid sections. Fully Online (OF) sections do not meet online or on campus.

[3]In addition to the main reading (Magill & Anderson, 2020), students are responsible for other materials assigned each week. This may include videos, articles, and eFlahscards.
